

MMA Offering CME Programs on HIPAA, the Federal Health Reform Bill (PPACA) and Medicinal Marijuana

MMA is now offering CME presentations on the following topics:

- HIPAA Update;
- Treating Chronic Pain While Preventing Diversion of Narcotics (offered in conjunction with the Maine Office of Substance Abuse);
- Federal Health Care Reform Law
- Medicinal Marijuana Law

MMA offers these programs to various audiences, including specialty societies, office staff, and other interested groups. A fee of \$200 is normally charged to cover travel and copying costs for the materials. If your practice or group is interested in a presentation, contact Gail Begin at 622-3374, ext. 210 or via e-mail to gbegin@mainemed.com.
