

HELP ELECT PHYSICIAN-FRIENDLY LEGISLATORS: SUPPORT *YOUR* POLITICAL ACTION COMMITTEE!

2023 ANNUAL MPAF MEMBERSHIP DUES

With your help, the Maine Physicians Action Fund is able to make the voices of Maine physicians heard by our state legislators. State legislators strongly consider your opinions in Augusta. However, the voice of physicians is being diluted in many debates. Nearly every profession now has a solid presence at the Capitol and the diversity of interests can sway opinions in a negative way for your practice and patients. You have the chance to help elect candidates who understand our concerns and who share our vision of health care in Maine *before* they reach Augusta.

Working together, physicians have, and will continue making a difference.

We need YOU to join the fight for medicine in 2023.

Make a difference ... join MPAF today!

If you have not yet contributed for 2023, please act now!
