CARING FOR GENDER NONCONFORMING YOUTH

SATURDAY, MARCH 12, 2016, 4:30-6:30 P.M.

The Maine Council of Child and Adolescent Psychiatry is pleased to announce that Dr. Jerry Olshan, Medical Director of the Gender Clinic at Barbara Bush Children's Center at Maine Medical Center, and Dr. Erin Belfort, a pediatric psychiatrist, will be joined by a patient of the Gender Clinic to share their clinical and lived experiences. The Gender Clinic currently serves over 100 children and families from across Maine and northern New England. They are a multi-disciplinary team who provide assessment and medical and mental health treatment for gender nonconforming children of all ages. Dr. Olshan will address the medical and endocrine treatment of transgender youth and Dr. Belfort will discuss historical diagnostic trends, mental health assessment and mental health treatment of this population. The third speaker will be a patient who will share their experience with the group. There will be time for questions and discussion at the end.
