

**Rules of the
tournament**

We will be playing a Classic Team Scramble format. On each hole everyone in your group drives. You then pick the best ball and each golfer plays from that spot (within one club length). Off the green, you must play your ball from the same cut! On the green, you must hit the ball from within six inches of your mark. There is a two drive per-player requirement in the tournament. You will need to indicate on your card where the drives were used. Please remember to replace all divots and to fix all marks on the green.

General announcements will be given at the Pro Shop at 11:55 AM.
