

SILENT AUCTION

Request for Donations

After a break of several years, we have decided to bring back a Silent Auction at the 171st MMA Annual Session taking place at the Harborside Hotel & Marina during the weekend of September 6-8, 2024. The proceeds of the Silent Auction will benefit the charitable and educational (under IRC Section 501(c)(3)) affiliate of the MMA, the Hanley Center for Health Leadership & Education (formerly known as the Maine Medical Education Trust). The mission of the Hanley Center is “we develop leaders through inspiration and education to meet today’s health challenges”. Items donated to the auction may be eligible for a tax deduction, please consult your tax advisor.

A list of all silent auction items will be distributed to each attendee, please return this completed form, and arrange to have your donated item to MMA by Wednesday, August 28, 2024. If you need other arrangements, please contact Lisa Martin at lmartin@mainemed.com or 207-480-4201.
