

The ME Home Birth Collaborative Invites you to attend

# Perinatal Quality: *Moving the Conversation Forward*

Saturday, Oct. 21, 2017, 8:30-3:00  
Maple Hill Farm Inn, Hallowell, ME  
CMEs Available

With keynote speakers **Dr. Alan Picarillo**, “*Developing a Perinatal Quality Collaborative*”; **Dr. Larry Leeman**, “*Perinatal Collaboration in Action: Lowering the CSEC Rate in New Mexico*”; and **Dr. Melissa Cheyney, PhD**, “*Data as a Quality Improvement Driver: Experiences in Washington State and Beyond*”

In addition, an update on “*The State of the State Birth Data: What Does It Mean?*”; an introduction to the “*Maine Perinatal Quality Collaborative*”; and next steps, “*Achieving Excellence in Practice: Quality Improvement in Action*”.

Plus opportunities for discussion, input, networking, and more.
