2010 Meeting Dates: 4:00-6:00 PM, Maine Medical Association (Webex available!)

2010 Meeting Dates  
October 13<sup>th</sup>, December 8<sup>th</sup>

Maine Medical Association’s 2010 Annual Session, September 10-12 in Bar Harbor at the Harborside Hotel & Marina. Registration information at [www.mainemed.com](http://www.mainemed.com)

The primary role of the MMA PHC is to support the MMA, our leadership and staff in enhancing the health of Mainers. The committee will address issues of healthy communities and clinical preventative services and should maintain an understanding of how core public health services, such as disease control, disaster response, environmental health, vital statistics and other public health data are provided in Maine.
