Did you know that making a contribution to the Maine Medical Association will better the quality of healthcare and the health and well-being of Maine citizens? The Maine Medical Association works diligently to provide assistance and guidance to physicians on healthcare policy issues, healthcare legislation and quality issues and serves as a collective voice for the physicians in the State of Maine.

Full Name: _____

Organization: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ E-mail: _____

Gift Type

- I would like my gift to be put into an endowment in my name for future generations.
- My donation is in memory of _____
- This donation is unrestricted.
- This donation should be used only for the following:
 - Long Term Development Fund *Increases the reserves of the Maine Medical Association and ensure it will remain as a resource and advocate for future generations of physicians (not tax deductible)*
 - MMET *A donation to the Maine Medical Education Trust (MMET) would be used to create, promote, sponsor and organize programs whose primary objectives are the improvement and upgrading of medical practice through education and training in the field of health care. The MMET is accredited by the Maine Medical Association Committee on Continuing Medical Education and Accreditation as a sponsor of CME programs and is a 501(c)(3) so donations are tax deductible.*
 - MMEF *The Maine Medical Education Foundation (MMEF) Loan Program was created to make loans available to Maine residents enrolled in or accepted to approved medical schools. Over \$4 million has been loaned to deserving medical students. Students have flexibility in when the re-pay and the interest rates are very low. A donation to this fund will be used to secure future loans for Maine students pursuing a degree in medicine.*
 - MPHP *The Medical Professionals Health Program (MPHP) is the recipient of donations to the John C. Dalco Fund, named in honor of the program's first medical director. The Fund was originally established as a scholarship fund to be used solely for supporting impaired professionals in the State of Maine. This program has evolved to include other medical professionals – including osteopathic physicians, dentists, dental hygienists, nurses and pharmacists. A donation to this fund will provide assistance to those pursuing treatment through this program.*
